Key Environmental Management Factors - Zero
Waste Solutions

interseroh
zero waste solutions

**Just because you
can't see it,
it does not mean
that is not there.**

Darja Figelj

Key Environmental Management Factors - Zero Waste Solutions

EU economy loses € 8 billion a year because it fails to divert municipal plastic waste to recycling

€ 8 billion
per year

==

1/6 of
Slovenia's GDP
in 2018

Interseroh's Success Stories

COCA-COLA &
STABILO

MEMO BOX

RETAILE
R

ZERO WASTE SOLUTIONS

Success Story: COCA-COLA & STABILO

- Strict criteria for recycled plastic that may be in contact with food

- Closed loop = zero waste
- 30% less CO2 emissions

Success Story: MEMO BOX

- Municipal plastic packaging waste

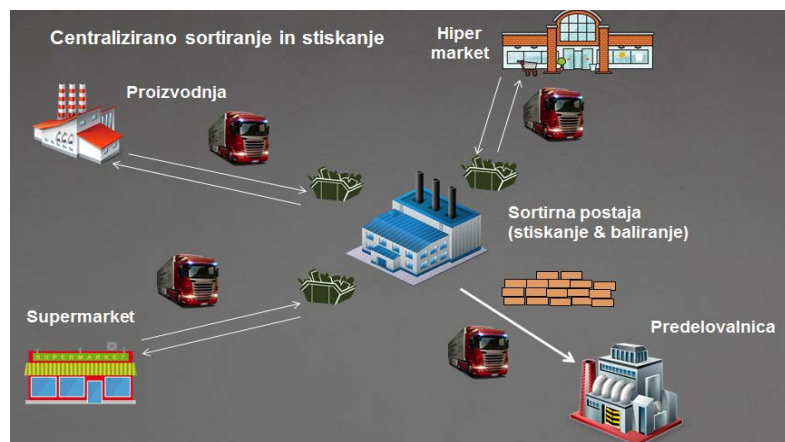

- Specific properties of the boxes material
- Easy shipments tracking and goods protection
- Longterm use; 5,000 x (5-10 years)
- Circulation and rental

Success Story: Slovenian Retail company

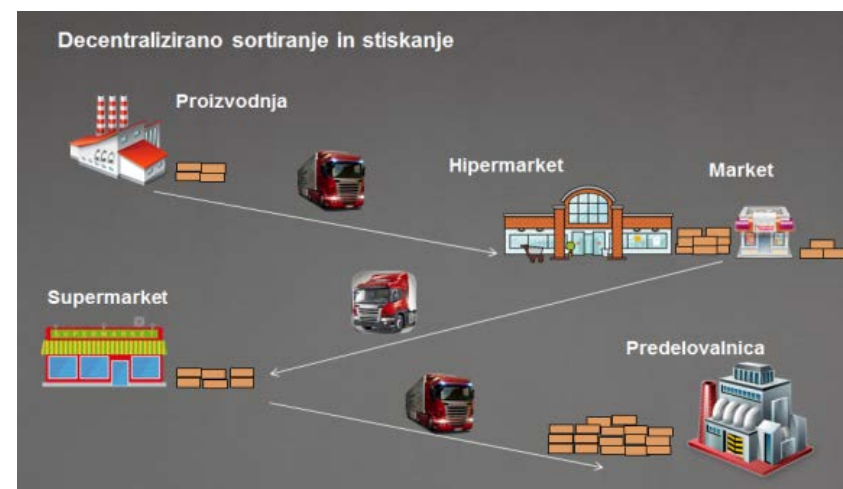

interseroh
